# Climate solutions for a planet fit to live on

We care a great deal about future generations – and this also applies to our involvement in winter sports.

At Viessmann Climate Solutions, we have been committed to winter sports for generations.

And it is precisely because of future generations that the environment is also very close to our hearts: with our Vitocal heat pumps, we are developing and promoting tomorrow's technology – while applying our more than four decades of experience in the process.

## WE CONNECT PEOPLE TO SPORT AND SPORT TO THE PEOPLE

We believe in pushing the boundaries, to finding new solutions, to doing whatever it takes to make sport part of everyone's life. We use the collective power of public service media organizations to showcase sport at its best. For federations, it's an opportunity to build visibility to help their sport thrive. It's an attitude that makes everyone a winner.

# WELCOME TO CANMORE

BMW IBU WORLD CUP BIATHLON 2023/2024  
**CANMORE**  
11 - 17 MAR 2024

## A.1 FOREWORD

### **WELCOME TO SUNNY CANMORE,**

#### **HOME OF BIATHLON IN CANADA.**

On behalf of the BMW IBU World Cup Biathlon 2024 Canmore Organizing Committee and all of our volunteers and sponsors, I welcome you to the beautiful Canadian Rocky Mountains.

We are excited to host the season-finale this year and unveil the facility upgrades that have been completed at the Canmore Nordic Centre, home of the 1988 Winter Olympic Games Biathlon and Nordic competitions, and the 2016 and 2019 IBU Biathlon World Cups. Following a \$17.5 million investment in the facility from the Government of Alberta, the Canmore Nordic Centre is once again positioned amongst the best Nordic venues in the world. This outstanding facility features world-class snowmaking capacity and more than 60km of groomed trails.

We are excited to host the world's finest biathletes on challenging trails in Canmore. This race is the culmination of an enormous effort, more than 350 volunteers have worked hard to prepare the venue and plan the competition. Nearly 400 team attendees from over 25 countries will be competing in Canmore this year.

The Town of Canmore is just five minutes from the Canmore Nordic Centre. This community of 13,000 is eagerly anticipating the competitions and many other special events and celebrations planned throughout the week.

Welcome to Canmore!

A handwritten signature in blue ink that reads 'Ken Davier'.

“

*Biathlon Canada is proud to welcome the world to Canmore for the final world cup of the season. The athletes are at their best and Canada has a home field advantage that we will certainly capitalize on. Enjoy the atmosphere of this tremendous event!*

**- Kerry Dankers | CEO of Biathlon Canada**

”

“

*On behalf of Town Council and the whole community of Canmore, it is a pleasure to welcome everyone to the Biathlon IBU Cup. Thanks to the 1988 Olympics, we have the incredible Canmore Nordic Centre which plays a key role in defining our love of winter. Since those games, Canmore's sport focus has grown and developed. We are proud to have world-class athletes among our residents, both professional and amateur. Best of luck to everyone competing and thank you to all the volunteers that have contributed to hosting this event.*

**- Mayor Sean Krausert**

”

“

*Tourism Canmore Kananaskis is thrilled to support the BMW IBU World Cup Biathlon Canmore. This international competition, featuring athletes from 25 nations, is a huge economic driver for our community and aligns perfectly with our commitment to continually provide astonishing adventures that nourish the soul. As leaders in sustainable tourism, we're proud to showcase the beauty of the Canadian Rockies to millions of viewers worldwide. We look forward to welcoming the world to Canmore and creating lasting memories for both the athletes and spectators alike.*

**- Rachel Ludwig | CEO Tourism Canmore Kananaskis**

## A.2 GENERAL INFORMATION

### TOWN OF CANMORE

A postcard town tucked beneath the majestic Canadian Rockies, Canmore is known for its stunning natural beauty and mountain playground.

A stroll through downtown will lead you to trendy boutique shops, art galleries, gourmet dining, and local handcrafted goods. A well-connected trail system will take you along the icy blue waters of the Bow River, crossing paths with wildlife such as elk, deer, coyotes, and even bears depending on the time of year.

A diverse population of residents call Canmore home, including many Olympic winter sport athletes, who use the world-class training facility at the Canmore Nordic Centre. The Nordic Centre was the cross-country and biathlon venue for the 1988 Calgary Winter Olympics, and TV coverage from that event showcased Canmore's natural beauty. With that, the secret was out and what was once a tiny mining town began booming with tourism.

Nordic Focus

## CANMORE NORDIC CENTRE

The Canmore Nordic Centre is North America's premier Nordic venue, with a brand new shooting range boasting 30 electronic Kurvinen targets, 24 permanent wax cabins, an expansive paved roller ski trail network, a top notch snow making system, and lighting for night skiing and shooting.

Since 2005, Canmore has hosted countless Nordic and Biathlon competitions, including three IBU Cups (2012, 2014, 2023), a World Youth & Junior Biathlon Championship (2009), and two Biathlon World Cups (2016, 2019). The 2024 World Cup marks the 8th international biathlon competition held in Canmore in the past 12 years, which has also played host to five Cross Country World Cups since 2005, including this year's COOP FIS Cross-Country World Cup (February 9-13, 2024).

In the summer season, the Nordic Centre hosts local, national, and international mountain bike and running races, as well as disc-golf, roller skiing, and other sporting events.

Following a \$17.5 million investment from the Government of Alberta, the Canmore Nordic Centre has been undergoing significant improvements since 2022. Through the renovation, the facility retained its Class A license, required for hosting IBU World Cups, World Championships, and Olympics.

The scope of the work also includes a new biathlon building with a roof-top patio, a new stadium layout and penalty loop, and a new roller ski trail. An expansion to the snowmaking and storage capacity has also been completed, from 12,000 m<sup>3</sup> to 36,000 m<sup>3</sup>. This expansion grows the Frozen Thunder trail network from 2 kilometers to 7 kilometers for early season training in October.

With the finishing touches still to be complete in the summer of 2024, the Nordic Centre is primed to play host to future elite international sporting events and act as a state-of-the-art facility for all Albertans.

## GETTING TO AND FROM CANMORE

### *By plane*

We recommend using Calgary International Airport as your first point of entry into Canada, past events have shown that clearing Customs & Immigration in Calgary is more streamlined and winter storms can often delay connecting flights from Eastern Canada. The airport is 122km from the venue. We recommend taking one of the airport shuttles, unless your flight arrives late at night, or you prefer the personal freedom to visit the venue at irregular hours, or other sites around Canmore at your leisure.

#### 1. Book a spot on the Banff Airporter:

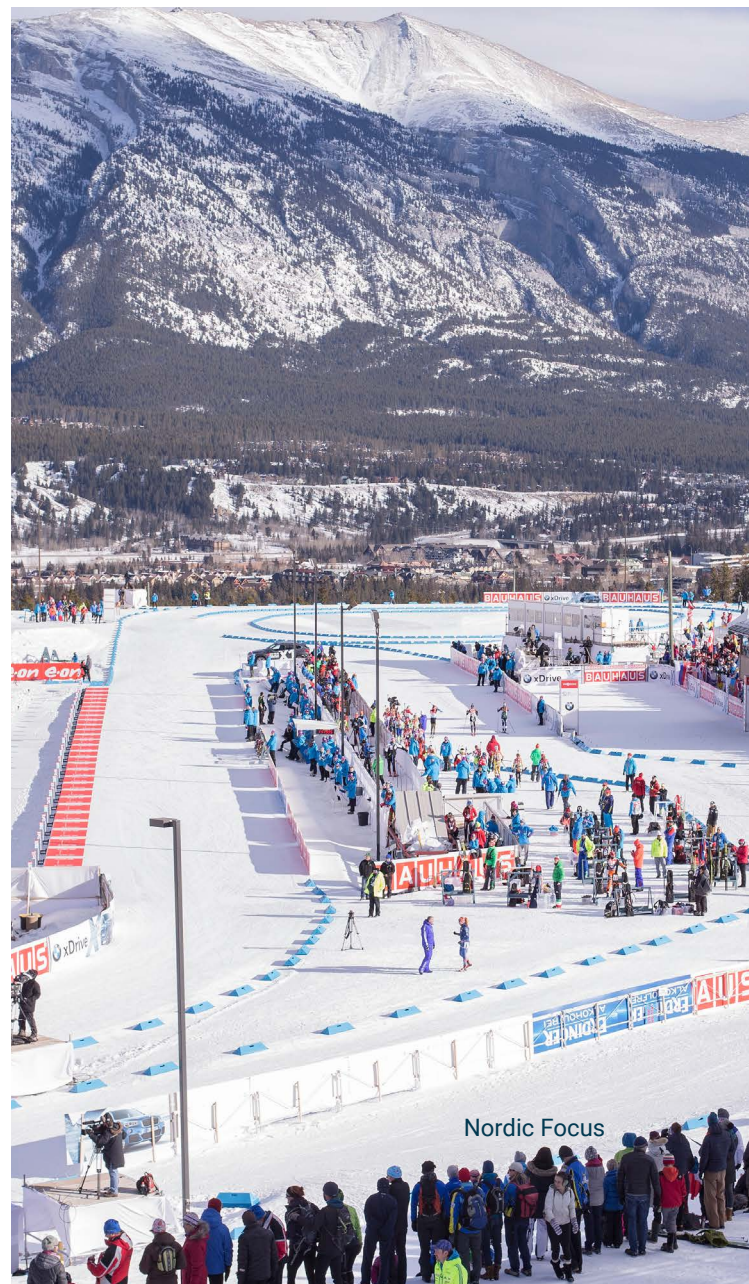

Receive a 20% discount on the Banff Airporter's daily shuttle service between the Calgary Airport and the Canmore Coast Hotel. Visit [www.banffairporter.com](http://www.banffairporter.com) to view the schedule and book online. Proceed through the reservation and use promocode – skicanmore – for 20% off the final payment price.

#### 2. Book a spot on the Brewster Express:

Visit [www.banffjaspercollection.com/brewster-express/](http://www.banffjaspercollection.com/brewster-express/) and receive a 15% discount on round-trip bookings between the Calgary Airport and the Canmore Coast Hotel.

#### 3. Book a rental car:

From the Calgary International Airport. Advanced booking is recommended through a car agency website or your preferred discounted travel booking platform.

### LOCAL TRANSPORTATION

#### *Event transportation:*

The OC has arranged for free shuttle service between the Canmore Nordic Centre and our media accommodation pick-up hub. The schedule and pick up location can be found on page 10-11, via the QR code, or by visiting: [www.canmorebiathlon.ca/media](http://www.canmorebiathlon.ca/media)

#### *Public transportation:*

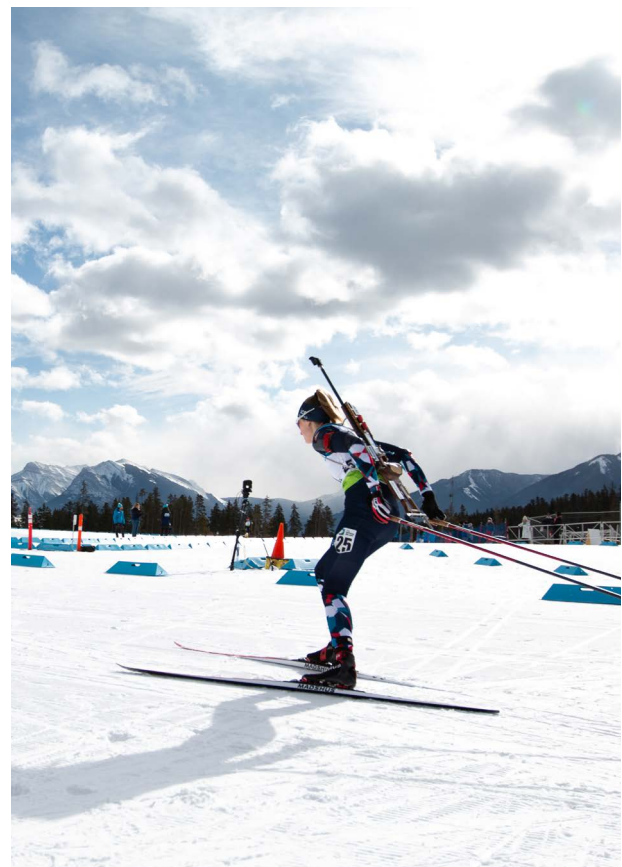

Canmore offers free public transportation through Roam Transit, and affordable transportation to the nearby historic Town of Banff and Lake Louise. For information on routes, schedules, and fares please visit: [www.roamtransit.com](http://www.roamtransit.com)

### PARKING AT THE CANMORE NORDIC CENTRE

Parking is extremely limited at the Canmore Nordic Centre and users are encouraged to take our shuttle service or enjoy the walk from downtown Canmore, which features the Town of Canmore Artwalk. If you wish to apply for a parking pass onsite, please contact: [info@canmorebiathlon.ca](mailto:info@canmorebiathlon.ca)

Please note: passes are subject to availability.

## EXPLORE CANMORE KANANASKIS

We invite you to live like a local and find connections with the people and places that make this place special. With big sights to be seen and plenty of attractions to check off your list, there is no limit to the ways you can uncover the wonders of Canmore and Kananaskis.

To start exploring visit [www.explorecanmore.ca](http://www.explorecanmore.ca)

## ARTWALK CANMORE

Curated by the Town of Canmore, the Art Walk in the Woods is installed on the Legacy and Spur Line Trails. Walk the 2.5km either to or from Canmore Nordic Centre to downtown Canmore and take in the seven installations from local and regional artists who are celebrating the Canmore World Cup events this winter. Each installation reflects the theme of "We Welcome the World". We hope you enjoy the Art Walk en-route to the competitors!

## C.2 COMPETITION DESCRIPTIONS

### SPRINT

Time is of the essence! In the sprint athletes are racing against the clock in a time trial, starting at 30-second intervals. Three loops are skied with two shooting stages in between (prone and standing). Each missed target requires a 150m penalty loop. The stakes are high as the top 60 athletes qualify for the Pursuit competition!

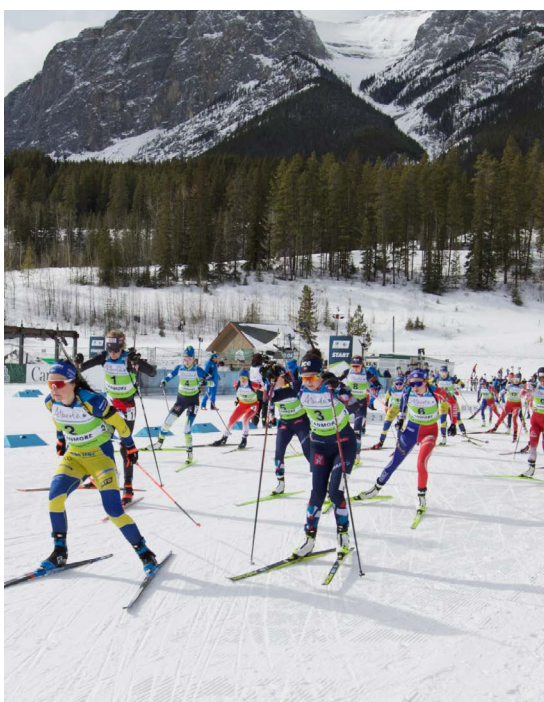

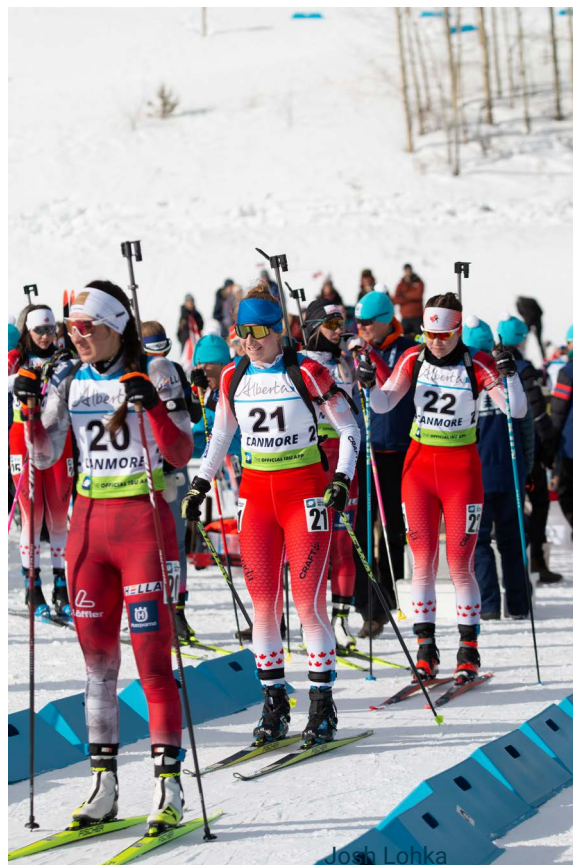

Josh Lohka

## PURSUIT

The top 60 athletes from the sprint move ahead and the chase is on! The start interval is determined by the sprint results. Competitors ski 5 loops with 4 shooting stages – the first two prone, and second two standing. A penalty loop of 150m is required for each missed shot before starting the next lap. This competition is full of big moves and sudden drama, especially in the final shooting stage, when victory is often on the line. The first to cross the finish line is the winner!

## MASS START

Don't miss the thrilling conclusion to the competitions in Canmore during the Mass Start, as 30 athletes start simultaneously. Tactics abound with quick, accurate shooting being essential. Five laps of the course are skied with four shooting stages in between – the first two prone, the second two standing. A penalty loop of 150m is required for each missed shot before starting the next lap. The first across the finish line is the winner.

# Building big moments in sport

The passionate team at Infront understands the needs of our partners and offers them tailor-made solutions to create the greatest moments in sport.

With more than 30 years of experience, Infront is one of the few companies that offers everything an event or commercial partner needs. Be it the sale of media rights, TV production, digital content, events, sponsorship, hospitality and consultancy, Infront has developed innovative solutions to ensure the success of almost 200 rights holders around the world.

Since 1992, Infront has supported the International Biathlon Union (IBU) and the national federations in hosting IBU events at various competition levels. As marketing partner, Infront has helped develop biathlon from a niche sport into one of the most popular winter sports and will further enhance its premium value and commercial strength in the future.
